e-GOVERNANCE SERVICES INDIA LIMITED

DIGITAL INDIA IS OUR DREAM FOR THE NATION. WHEN I SAY "DIGITAL INDIA" IT IS NOT MEANT FOR THE RICH BUT FOR THOSE WHO ARE POOR.

Hon'ble Prime Minister

SHRI NARENDRA MODI

THE SCHEME AIMS TO EMPOWER RURAL CITIZENS WITH INFORMATION, KNOWLEDGE, AND SKILLS AND ENABLE THEM TO ACTIVELY PARTICIPATE IN GOVERNANCE.

Hon'ble Minister

SHRI RAVI SHANKAR PRASAD

THE SCHEME IS SPECIFICALLY TARGETED AT THE RURAL POPULATION , INCLUDING THE MARGINALISED SECTION OF SOCIETY AND IS AIMED AT ADDRESSING THE DIGITAL DIVIDE

Hon'ble Minister of State for Law and Justice

P. P. CHOUDHARY

NATIONAL DIGITAL LITERACY MISSION

INTRODUCTION

National Digital Literacy Mission (NDLM) was launched by the Hon'ble Prime Minister Shri Narendra Modi in August 2014 to provide basic digital literacy to 10 lakh persons. Subsequently, in December 2014, a new scheme 'Digital Saksharta Abhiyan' (DISHA) was approved by the Ministry of Electronics & ITS (MeitY) with a target to train additional 42.5 lakh persons over a period of four years. Both these schemes were implemented concurrently by CSC e-Governance Services India Limited, a Special Purpose Vehicle (CSC-SPV) (a public limited company set up under the Companies Act, 1956). The cumulative target of providing digital literacy to 52.5 lakh duly certified beneficiaries has been achieved in December 2016, much ahead of the proposed timeline of December 2018.

Following the successful implementation of NDLM/DISHA schemes, the Hon'ble Finance Minister, while presenting the Union Budget 2016-17, launched a new Digital Literacy mission for rural India. It inter-alia stated:

"We need to derive greater benefit from our demographic advantage. We need to spread digital literacy in rural India. Of the 16.8 crore rural households, as many as 12 crore households do not have computers and are unlikely to have digitally literate persons. We have already approved two Schemes to promote digital literacy: National Digital Literacy Mission and Digital Saksharta Abhiyan. We now plan to launch a new Digital Literacy Mission Scheme for rural India to cover around 6 crore additional households within the next three years.

Pradhan Mantri Gramin Digital Saksharta Abhiyaan (PMGDISHA)

Pradhan Mantri Gramin Digital Saksharta Abhiyaan (PMGDISHA) has been initiated in line with the announcement made by Hon'ble Finance Minister during the union budget 2016-17 to provide digital literacy specifically in rural areas. PMGDISHA was approved by the government in February 2017. PMGDISHA would cover 6 crore persons, one member from every eligible household across all Gram Panchyats in States/UTs, and make them digitally literate. The objective of the scheme is to empower the citizens in rural areas by training them to operate computer or digital access devices (like tablets, smart phones etc.), send and receive e-mails, browse Internet, access Government services, search for information, etc. and hence enable them to use the Information Technology to actively participate in the process of nation building.

The Scheme aims to bridge the digital divide, specifically targeting the rural population including the marginalised sections of society like Scheduled Castes (SC) / Scheduled Tribes (ST), Minorities, Below Poverty Line (BPL), women and differently-abled persons

Implementing Agency

The scheme will be implemented by CSC e-Governance Services India Limited, a Special Purpose Vehicle (SPV) incorporated under the Companies Act 1956, (herein after referred to as 'CSC-SPV') with active collaboration of all the State Governments and UT Administrations.

Duration

The Scheme duration would be till 31st March, 2019.

Target Beneficiaries

One person from every eligible rural household would be trained in Digital Literacy relevant to their needs across all States/ UTs. The target group would be in the age group of 14-60 years. In order to provide better representation to socially and economically marginalized communities, due preference would be given to SC, ST, BPL, Minorities, women and differently-abled persons. Priority would be given to non-smartphone users, Antyodaya households, college drop-outs, participants of the adult literacy mission etc.

Coverage of scheme

The scheme is applicable only for rural areas of the country. To ensure even geographical coverage across the country, a Gram Panchayat centric approach would be adopted with targets being assigned and monitored for each of the 2.50 lakh Gram Panchayats.

Implementation framework

MeitY would provide suitable policy support and would monitor the progress of the scheme at the Central level. The CSC-SPV will work in active collaboration with the State Government/UT Administration for smooth implementation of the Scheme in their respective State/UT. District e-Governance Society (DeGS) under the District Magistrate/ District Collector would play a key role towards the last mile implementation and monitoring of PMGDISHA Scheme. The implementation of the Scheme at the ground level would be done through the involvement of Training partners/ Centres including CSCs duly affiliated with the CSC-SPV.

The Scheme will be implemented by using the affiliated Training Partners/Training Centres as was done in NDLM/ DISHA schemes. Efforts would be made to increase the number of training partners to around 2500 and the Training Centres (including CSCs) to about 2.5 Lakhs spread across the country.

Role of a Training Partner

- A training partner shall be responsible to own or set up the Training Centres in the identified Districts/ Blocks/ Gram Panchayats that would impart digital literacy training to the candidates.
- A training partner shall be responsible for ensuring that the training centres adhere to the scheme requirements.
- A training partner shall be accountable for monitoring the overall working of the centres under its purview.
- A training partner shall be liable for accurate and timely reporting of the aforementioned work ascribed in respect of its Centres
- Detailed Norms for the Training Partners shall be as per Standard Operating Procedure (SOP) published by CSC-SPV.

The Training Partners shall set up the Training Centres in the selected Gram Panchayats with the appropriate manpower and requisite infrastructure. They are required to meet the following criteria:

Role of Training Centres

- Enrolling the candidates for the course
- Imparting appropriate training to candidates
- Marking the attendance and conducting continuous assessment using the Online Monitoring Application-cum-Learning Management System

- Keeping a record of all candidates enrolled in the course, certifying their attendance and ensuring that the candidates appear for the online examination.
- Training centre shall provide support and assistance for at least two years after the training is over.
- Ensuring achievement of learning outcomes for each candidate.

Digital Literacy Training Content

The course 'Appreciation of Digital Literacy' has been developed with the aim of making a person IT literate, whereby he can operate a computer/ digital access devices (like smart phone, tablets, etc.), send and receive emails and search Internet for information.

The curriculum was developed in 2014 in consultation with various agencies like UNESCO, NASSCOM, Intel,IGNOU, NIELIT, National Institute of Open Schooling (NIOS),Indian Institute of Mass Communication (IIMC), IT for Change, Open Knowledge Network India, and Digital Empowerment Foundation.

As the thrust of the government is on promoting cashless transactions through mobile phones , the course content would also have emphasis on digital payment system like digital wallets, mobile banking , UPI, USSD and AEPS, POS etc. Top citizen centric services are also included in the curriculum namely : District Services- Caste, Resident, Income certificate, UIDAI/Services, Banking, Pan card, IRCTC- Railway,Insurance,Telephone/data card Recharge, Aadhaar/Election printing, Electricity bill payment and, Passport

Learning Outcome: Digitally literate person should be able to appreciate the role of digital technology in everyday, social life and at work.

Course Duration: 20 Hours (minimum 10 Days and maximum 30 Days)

Broad Content outline:

	Module Name	Learning Hours
1	Introduction to Digital Devices	2
2	Operating Digital Devices	4
3	Introduction to the Internet	2
4	Communications using the Internet	6
5	Application of the Internet (includes Citizen centric services and use of mobiles for undertaking cashless transactions) Applications of Internet	6
	Total	20 hours

New content of PMGDISHA is available at <https://www.pmgdisha.in/iecmaterial>

Broader view and learning Objectives of the content

No.	Module Name	Learning Objectives
1	<p>Introduction to Digital Devices</p> <p>Computer</p> <ul style="list-style-type: none"> • What is a Computer? • How a Computer Works? • Operate the various components of Computer including Central Processing Unit (CPU), Monitor, Keyboard, Mouse, Printer, etc. <p>Mobile Phone</p> <ul style="list-style-type: none"> • What is a mobile phone? • How a mobile phone works? • Operate the various components of a mobile phone including charger, data cable, memory card, earphones, etc. <p>Tablet</p> <ul style="list-style-type: none"> • What is a tablet? • How a tablet works? • Operate the elements of tablet including charger, data cable, memory card, earphones, etc. 	<p>By end of this module, learner will be able to:</p> <p>Computer</p> <ul style="list-style-type: none"> • Turn on a computer • Explain how a computer works • Identify and use various components of a computer <p>Mobile Phone</p> <ul style="list-style-type: none"> • Switch on/ off a mobile phone • Explain how a mobile phone works • Identify and use various components of a mobile phone <p>Tablet</p> <ul style="list-style-type: none"> • Switch on/ off a tablet • Explain how a tablet works • Identify and use various components of a tablet
2	<p>Operating Digital Devices</p> <p>Computer</p> <ul style="list-style-type: none"> • Basics of Operating System (Linux and Windows) • Using a GUI based Operating System (task bar, icons, menu, running an application, use the menu, resize a window, minimize a window, maximize a window, move a window, locate programmes in Start menu, using the scrollbar, etc.) • Logging-in, locating a file, opening a file, printing a document, storing a file with proper extension, creating a folder/ sub-folder in a volume on hard disk and desktop, shifting files from one folder to another, shutting down the computer. <p>Mobile Phone</p> <ul style="list-style-type: none"> • Basics of mobile operating system • Making a call, receiving a call, sending and receiving messages. • Using other features of mobile phone <p>Tablet</p> <ul style="list-style-type: none"> • Basics of Operating System (Android and Windows) • Operating a tablet using an Operating System (use the menu, run an application, resize a window, minimize a window, maximize a window, move a window, etc.) • Logging-in, locating a file, opening a file, storing a file, operate the camera, watch a video, read a book, etc. • Making a call, receiving a call, sending and receiving messages (if call facility is available). 	<p>By the end of this module, learner will be able to:</p> <p>Computer</p> <ul style="list-style-type: none"> • Explain the use of operating system • Identify and use various functions of an operating system • Create/ Open/ Save a file, folder and sub-folder <p>Mobile Phone</p> <ul style="list-style-type: none"> • Explain the use of mobile operating system • Make call/ receive call and send message/receive message • Use other mobile phone features including contact book, call history, radio, calculator, etc. <p>Tablet</p> <ul style="list-style-type: none"> • Explain the use of operating system • Operate the tablet and its applications • Use the camera and other features including watching a video, read a book, etc. • Make/receive calls

3	Introduction to the Internet <ul style="list-style-type: none"> Connecting to the Internet World Wide Web Web Browsers Search Engines Surfing the Web 	By the end of this module, learner will be able to: <ul style="list-style-type: none"> Explain various ways of connecting to the Internet Explain world wide web Use web browsers for accessing the Internet Demonstrate the use of search engines Identify information of interest
4	Communications using the Internet <ul style="list-style-type: none"> Basics of e-Mail Using e-Mail features Instant Messaging and Collaborating using Voice over Internet Protocol (VoIP) 	By the end of this module, learner will be able to: <ul style="list-style-type: none"> Explain the importance of e-Mail Create an e-Mail id and access the various features of e-Mail Use VoIP for instant messaging
5	Applications of Internet <ul style="list-style-type: none"> Access livelihood related information Make utility bill payments Book train and bus tickets Access various government information and schemes Using social media 	By the end of this module, learner will be able to use few of the following Internet applications: <ul style="list-style-type: none"> Search for education, career and job related information; Search for weather forecast, fishing zone, market price, government schemes, farming equipments, etc. Make utility bill payment online (electricity, mobile, water bills) Book train and bus tickets online Locate various government information and schemes Explain the process of accessing various Government Schemes. Carry out at least 5 cashless transactions using digital financial tools (USSD/ UPI/ eWallet/ AEPS/ Card/ PoS), Promote Digital Payments Use Digital Locker Use online citizen centric services Appreciate the role of digital technology in everyday life, in social life and at work

Indicative State/UT-Wise Targets for Digital Literacy

S.No.	States/UTs	Target
1	Uttar Pradesh	11171000
2	Bihar	6630000
3	West Bengal	4481000
4	Maharashtra	4433000
5	Madhya Pradesh	3784000
6	Rajasthan	3712000
7	Karnataka	2705000
8	Tamil Nadu	2679000
9	Orissa	2517000
10	Gujarat	2497000
11	Andhra Pradesh	2028000
12	Telangana	2028000
13	Assam	1929000
14	Jharkhand	1803000

15	Chhattisgarh	1412000
16	Kerala	1257000
17	Punjab	1247000
18	Haryana	1191000
19	Jammu & Kashmir	658000
20	Uttarakhand	506000
21	Himachal Pradesh	444000
22	Tripura	195000
23	Meghalaya	171000
24	Manipur	137000
25	Nagaland	101000
26	Arunachal Pradesh	77000
27	Goa	40000
28	Mizoram	38000
29	Sikkim	33000
30	NCT of Delhi	30000
31	Puducherry	28000
32	Andaman & Nicobar Islands	18000
33	Dadra & Nagar Haveli	13000
34	Daman & Diu	4000
35	Chandigarh	2000
36	Lakshadweep	1000
	Total	60000000

Note: Targets per State/UT may vary depending upon performance

The cities covered under urban agglomerations would be excluded from the Scheme (list enclosed)

List of Cities not to be covered under the Scheme

S.No	State Name	Name of City	City Population (As per Census of India 2011)
1	MAHARASHTRA	Greater Mumbai (M Corp.)	1,24,78,447
2	NCT OF DELHI	DMC (U) (M Corp.)	1,10,07,835

CSR Initiative

Effort to spread digital Literacy in the country, CSC-SPV has proposed collaboration with many institutes/ universities where in an institution will adopt a village /panchayat in the vicinity and work jointly with CSC-SPV to make it 100% digitally literate. Letter has been sent to **47 Central and 365** State universities across India. Around 18 universities have shown interest in the initiative.

Here is the list of colleges/universities that have shown interest to be a part of digital literacy mission till date:

S No	Name of Organisation/Universities	State
1	Alagappa University	Tamilnadu
2	Annasamy Rajammal College of Nursing	Tamilnadu
3	Assam Rajiv Gandhi University of Co-Operative Management	Assam
4	CCS HAU Hisar	Haryana
5	DCR University Of Science & Technology, Murthal	Haryana
6	Mangalore University	Karnataka
7	National Law University_Odisha	Odisha
8	Sido Kanhu Murmu University	Jharkhand
9	Uttarakhand Open University	Uttarakhand
10	Uttarakhand Residential University	Uttarakhand
11	APOLLO COLLEGE OF NURSING	Tamilnadu
12	Central University of Haryana	Haryana
13	CDC Jammu	Jammu and Kashmir
14	Assam Agricultural University	Assam
15	Bhargava College of Engineering and Technology	Jammu and Kashmir
16	Bahona College	Assam
17	Shri Mata Vaishno Devi University	Jammu and Kashmir
18	Dibrugarh University	Assam
19	Rayalaseema University	Andhra Pradesh

CSR Partner - IndusInd Bank

IndusInd Bank

CSC-SPV and Indusind Bank (IIB) have agreed to collaborate and implement the PMGDISHA in rural areas. To begin with 3 Lakh persons over next two years till 31-03-2019 will be trained by the partner.

IndusInd Bank, which commenced operations in 1994, caters to the needs of both consumer and corporate customers. Its technology platform supports multi-channel delivery capabilities. The Bank is a leading provider of commercial, transactional and electronic banking products and services and caters to the needs of both consumer and corporate customers. Today, the bank is one of India's leading private sector banks.

According to the collaboration IIB will be responsible for the following:

- Promote and market PMGDISHA at various forums.
- Consolidate the training efforts towards achieving the objective of training one person in every eligible household.
- Align the training content of IIB with that of PMGDISHA curriculum framework as prescribed by CSC-SPV

- Mobilize the financial resources and volunteers from IIB.
- Set-up use of CSC-SPV PMGDISHA training centres.
- Monitor and ensure quality delivery of training.
- Create innovative marketing campaigns and assist the promotion of PMGDISHA in various media

Registration Status of PMGDISHA Candidates

Registration of beneficiaries, eligible for training under PMGDISHA scheme has been started. As on July, 2017, 2830653 beneficiaries have been registered under the project from the States/UTs of Andaman & Nicobar Islands, Andhra Pradesh, Arunachal Pradesh, Assam, Bihar, Chandigarh, Chhattisgarh, Daman & Diu, Delhi, Goa, Gujarat, Haryana, Himachal Pradesh, Jammu & Kashmir, Jharkhand, Karnataka, Kerala, Madhya Pradesh, Maharashtra, Manipur, Meghalaya, Mizoram, Nagaland, Odisha, Puducherry, Punjab, Rajasthan, Sikkim, Tamil Nadu, Telangana, Tripura, Uttar Pradesh, Uttarakhand and West Bengal.

The State-wise overall position of Enrolled, Trained and Certified beneficiaries is shown in the chart below:-

The highest number of candidates registered for the month of July are from Uttar Pradesh followed by Chhattisgarh, Odisha, Haryana and Rajasthan. The graph below provides the details of Top five states in registration, training and certification of candidates under PMGDISHA scheme.

EXAMINATION STATUS

Gender-wise distribution of certified candidates

PMGDISHA examination has resumed across the country with stringent bio-metric authentication of candidates by an Invigilator/Exam Superintendent. As of June 2017 a total of 692595 candidates have been certified under the scheme. The gender wise distribution among the certified candidates under PMGDISHA shows that 394779 Males and 297816 Females have been certified till now According to the pie-chart given below, 57% are males and 43% are females.

Community-wise Distribution of Certified Candidates:

Of the total Certified beneficiaries, OBC category comprise the highest numbers (2, 879, 04) followed by General category (237038), SC (128078) and ST (39575). As per the pie-chart given below, 43% of certified beneficiaries are OBC are 40% General, 19% are SC and only 6% are ST.

TOP THREE VLEs & DISTRICT COORDINATORS UNDER PMGDISHA

TOP DC's- July Month

State Name	District	State
Madan Mohan Singh	Bhagalpur	Bihar
Nilesh Gadhavana	Bhavnagar	Gujarat
Bheem Singh Saini	Alwar	Rajasthan

Glimpse of PMGDISHA Progress across states

ANDHRA PRADESH

58 YEARS OLD, SMT. SITARAVAMMA FROM ANDHRA PRADESH CERTIFIED UNDER THE PMGDISHA SCHEME

A 58 Year old woman Smt. Sitaravamma from Chandarlapadu Mandal, Thorlapadu village in Krishna District completed her training and is certified under the PMGDISHA scheme. She was working as a daily wage earner (Farm Labourer) and used to visit the CSC Centre for various other services. She spotted a PMGDISHA poster at the Centre and expressed her interest for undergoing the Digital Literacy training. VLE Mr. Harish Khan Sharma said that she was very active during the course duration which inspired other students to attend the classes regularly. She can now browse the internet and communicate using email

PMGDISHA EXAMINATION CONDUCTED IN SRIKAKULAM DISTRICT.

VLE Krishna from Ypalem district has completed 250 registrations under PMGDISHA scheme. He has also done the registration of Panchayat Secretary under the scheme.

PMGDISHA CERTIFICATE DISTRIBUTION HELD AT EAST GODAVARI, ANDHRA PRADESH

PMGDISHA certificate distribution ceremony held at SVS degree college, Jagapathi Nagaram, Kirlampudi- East Godavari (dist), Andhra Pradesh. VLE , Siva surneedi in Veldurthi district running PMGDISHA Centre had arranged for the event.

Chief Guests Penta Kota Naga Babu , Sarpanch, SVS college correspondent P Swetha and Principal Mr. Rama Krishan were invited for the occasion. The admin and the teaching staff also participated. Sarpanch, Sri. Naga babu explained the importance of digital literacy to students and also how important it is for at least one member of every family to have digital knowledge.

The College correspondent Ms. Swetha said that nowadays all institutions ask for integrated certificates and Biometric authentication for Education & employment purposes which require minimum digital literacy knowledge. Therefore, students and citizens should utilize this opportunity provided by the CSC Centres.

DIGITAL LITERACY CLASSES WERE ORGANIZED BY THE GROUP OF VLEs AT PRATHIPADU VILLAGE IN WEST GODAVARI DISTRICT, ANDHRA PRADESH.

విద్యార్థులకు కంప్యూటర్ పై శిక్షణ

ప్రతిపాడు: ప్రధానమంత్రి గ్రామీణ డిజిటల్ అభియాన్ లో భాగంగా నిరుద్యోగ వయస్కులకు ఇచ్చే కంప్యూటర్ శిక్షణ ఒక వరం వంటిది. శిక్షణ నిర్వాహకులు ఎస్.శివ, భార్గవ్ సాయి తెలిపారు. ప్రతిపాడులోని మినీవా కేంద్రం సమీపంలో ఏర్పాటు చేసిన కంప్యూటర్ శిక్షణ కేంద్రంలో నిరుద్యోగవలకు, విద్యార్థులకు కంప్యూటర్ శిక్షణ తరగతులు నిర్వహిస్తున్నారు. నిర్వాహకులు మాట్లాడుతూ విద్యార్థులతో సంబంధం లేకుండా 14-60 సంవత్సరాల మధ్య వయస్సు కలిగిన ప్రతి ఒక్కరూ శిక్షణ పొందవచ్చని తెలిపారు. ఇప్పటి వరకు ప్రతిపాడు, ఏలేశ్వరం, పితాపురం తదితర మండలాల్లో రెండువేల మందికి పైగా కంప్యూటర్ పై ఉచితంగా శిక్షణ ఇచ్చినట్లు తెలిపారు. కార్యక్రమంలో శిక్షణ డి.వై.వై.బి.ఎస్. నాగేంద్ర, జి.నాని, త్రిమూర్తులు, విద్యార్థులు పాల్గొన్నారు.

విద్యార్థులకు శిక్షణ ఇస్తున్న దృశ్యం

డిజిటల్ లైజేషన్ దిశగా ఉచిత కంప్యూటర్ శిక్షణ

ప్రతిపాడు, కెఎన్ఎస్ : డిజిటల్ ఇండియా దిశగా ప్రధానమంత్రి గ్రామీణ డిజిటల్ సాక్షర అభియాన్ (పిఎంజిడిఎస్) కార్యక్రమంలో భాగంగా కంప్యూటర్ శిక్షణకు శ్రీకారం చుట్టింది కేంద్రప్రభుత్వం. ఇప్పటికే ఈ కార్యక్రమం ప్రాంథించి సంవత్సరాలం పూర్తైంది. విద్యార్థులతో సంబంధంలేకుండా 14-60 సంవత్సరాల మధ్య వయస్సు కలిగిన ప్రతి ఒక్కరూ శిక్షణ పొందవచ్చు. ప్రతిపాడు, ఏలేశ్వరం, కిద్దంపూడి, పితాపురం మండలాల్లో సుమారుగా ఇప్పటి వరకు రెండు వేల మందికి కంప్యూటర్ పై ఉచితంగా శిక్షణ ఇవ్వడం జరిగింది. కంప్యూటర్ టెనిక్స్ అన్ లైన్ పరీక్షలు, నగదు రహిత చెల్లింపులు వంటి పలు అంశాలపై శిక్షణ ఇవ్వడం జరుగుతుంది. కంప్యూటర్ శిక్షణ ఇచ్చేందుకు సిబ్బంది గ్రామల్లో నిరంతరం శ్రమిస్తున్నారు. శిక్షణ ఫార్మి చేసుకున్న వారికి ఇప్పటికే సంబంధిత సర్టిఫికేట్స్ అందిస్తున్నారు. కంప్యూటర్ శిక్షణ ఇస్తున్న వారిలో ఎస్ శివ, భార్గవ్ సాయి, వై భువనేష్, జి నాగేంద్ర, జి నాని, పి క్రీమూర్తులు తదితరులు ఉన్నారు.

DIVYANG BENEFICIARIES RECEIVE DIGITAL LITERACY TRAINING

A woman VLE Ms. Chopparapu Naga Mani from Dodleru Village of Andhara Pradesh has done outstanding job by providing the PMGDISHA training to disabled beneficiaries. She encouraged and trained them in their language.

She created awareness on PMGDISHA by doing door to door campaign and educated people on the benefits of Digital literacy. Due to various network problems, she went from one place to another and registered candidates. So far, she has registered and trained 193 candidates, out of which 82 candidates have been certified under the scheme.

ASSAM

PMGDISHA CENTRE INAUGURATED BY LOCAL MLA

A CSC / PMGDISHA centre was formally inaugurated by local MLA Gurujyoti Das in presence of Deputy Commissioner Darrang, CSC state representatives from Assam, VLE's of Darrang district, local public and media.

Speaking on the occasion the local MLA and deputy commissioner said that "The CSC's are playing a vital role in providing digital services to the villagers". He mentioned about the various services provided by CSC's and the implementation of the PMGDISHA scheme by Village level Entrepreneurs who play a vital role in making people digitally literate.

DISTRICT LEVEL WORKSHOP ORGANISED AT GOALPARA, ASSAM

A District Level Workshop was organised for all CSC VLEs of Goalpara District in presence of Deputy Commissioner, District Managers and consultants. In the workshop, Deputy Commissioner along with District Managers and District Consultant had briefed VLEs about Digital Literacy and its importance. A total of 31 PMGDISHA Centres have been registered by them in 21 Gram Panchayat of Goalpara District.

Assam VLEs have started doing awareness programme in their respective Gram Panchayats for PMGDISHA scheme. After registering his centre for PMGDISHA scheme VLE Chimpu Rabha has started spreading awareness on digital literacy. He has conducted programmes on digital literacy at various Gram Panchayat premises.

FPS OWNER GOT NEW VISION TOWARDS LIFE THROUGH DIGITAL LITERACY

45 year old Urmilaben Babubhai Patel, an FPS owner wanted to do something different in her life. She was fascinated by the digital literacy movement as she wanted to make her village digitally literate.

She gathered all the required knowledge about the PMGDISHA scheme and took up a CSC id. She is a VLE now and runs her own center. She has already registered more than 150 candidates and working hard to achieve her target. She is very excited to make candidates digitally literate and conducting PMGDISHA awareness sessions for village people. Villagers are gladly taking part in awareness scheme and giving positive feedback.

HARYANA

SUCCESS STORY OF DEEPALI FROM HARYANA

Deepali from Haryana, district Yamuna Nagar has become an example for those who are under the impression that women are suitable only to take up household work as their occupation.

She is an M.ed in Education and has taught Hindi as a lecturer for 8 years. She has also served as a principal in R.K. Public school for 2.5 years.

She came into association with CSC in the year 2015, at the beginning she started with making domicile certificates and also helped people in applying for pension. After some time, she attended one of the workshops under the DFIAA Project and trained 1,005 merchants. Miss Deepali was recognised for her efforts by Mr. Dinesh Kumar Tyagi, CEO CSC SPV, who appreciated her for her excellent work.

Under the PMGDISHA Scheme, she worked in gram panchayat, Sabalpur, Haryana. She has finished training and also CEO CSCSPV, who certified all 250 candidates. She focuses on girl education and most of her candidates were girls.

Deepali feels that, Digital literacy can give confidence to a lot of women to pursue their dreams, across social boundaries and help them overcome basic livelihood challenges.

Digital literacy is not just about learning to use a computer or access the internet; it can help to bring about several behavioural and social changes. Digitizing India can help women break the shackles of patriarchy.

An awareness rally was held in Kishangad and Rupangad districts of Ajmer, Rajasthan. Students from government and public schools participated in the rally in order to spread awareness about the Prime Ministers digital literacy scheme in the rural areas.

The District Coordinator from Ajmer had arranged for the rally on 17th July during CSC Diwas Celebration.

VLE FORM JODHPUR, RAJASTHAN PROVIDES PMGDISHA TRAINING IN THE REMOTE AREA OF PHALODI

VLE Kanhaiya Suthar from Jodhpur has been working in the PMGDISHA project for the last 2 to 3 months in Kheechan panchayat in Phalodi.

Phalodi is one of the driest areas in the state, situated around 200 kms away from Jodhpur. Being a remote area, the VLE faced a lot of connectivity issues, but did not give up.

The VLE took up the challenging job to train the candidates who were enrolled under the

scheme. He has divided the batches according to the requirement of the candidates. He conducts separate classes for girl students /women, Govt school children. He also conducts day and night batches for the Shopkeepers.

VLE Rishi Acharya has also taken up this challenging task in a village where there is shortage of electricity supply as well as connectivity issues. The VLE backs up his laptop whenever power is available and conducts classes for the candidates. The Khokriya village has a low Digital Literacy rate and the schools in the village do not have any computer labs or even access to a computer.

PMGDISHA DISTRICT LEVEL COMMITTEE MEETING HELD IN BIJNOR.

PMGDISHA AWARENESS WORKSHOP IN KANPUR DEHAT

'पार पर निस्तारित

दो अनुपस्थित, चार आते नहीं
अकबरपुर के जिला स्तरीय तहसील दिवस में अधिशासी अभियंता लोक निर्माण विभाग व लघु सिंचाई विभाग के सहसहक अभियंता अनुपस्थित थे। डीएम ने नोटिस जारी करने के निर्देश एसडीएम को दिए। जबकि जिला सैनिक कल्याण बोर्ड, क्षेत्रीय आयुर्वेदिक युवांनी अधिकारी, जिला खादी ग्रामोद्योग व सविद विकास प्राधिकरण के दिवस में नहीं आने की जानकारी दी गई।

गठान दिवस में कई फरियादी बिना पंजीकरण गए। इस पर डीएम ने कमी भेजकर पहले बाद समस्या सुनी।

का मोंके पर निस्तारण हुआ। एसडीएम विजेता सिंह, तहसीलदार एनटी करमेश्वर कुमार, बीडीओ योगेश मिश्र, बीईओ उदय नायक कटिवार आदि रहे।
सिक्करा तहसील : एसडीएम दीपाती कोशिक को अध्यक्षता में तहसील समायोजन दिवस में 31 शिकायतें दर्ज हुईं। जिसमें राजस्व विभाग की 4 शिकायतों का मोंके पर निस्तारण कराया गया। यहाँ राजस्व की 16, पुलिस व विकास की छह-छह शिकायतें रहीं। तहसीलदार राजेंद्र व व एनटी राघवर्ष मौजूद रहे।

ग्रामीणों को बनाएंगे डिजिटल साक्षर

जागरण संवाददाता, कानपुर देहात: ग्रामीणों को डिजिटल साक्षर बनाने के लिए प्रथम चरण में निष्क्रिय सीएससी (कामन सर्विस सेंटर) ई-गवर्नेंस से जुड़े वीएलई (विलेज लेवल एंटरप्रेन्योर) को सक्रिय किया जा रहा है। इनके माध्यम से गांव के प्रत्येक परिवार के एक सदस्य को डिजिटल रूप से साक्षर किया जाएगा। इसमें ग्रामीणों को कंप्यूटर का प्राथमिक ज्ञान तथा मोबाइल बैंकिंग व मनी ट्रांसफर की जानकारी दी जाएगी।

सीएससी (कामन सर्विस सेंटर) ई गवर्नेंस के जिला प्रबंधक दीपायु यादव ने रूमा में बैठक का आयोजन किया। सीएससी केंद्र संचालकों को अधिक से अधिक लोगों को इसके बारे में शिक्षित कर प्रधानमंत्री के सपने को साकार करने की प्रेरणा दी गई। ग्रामीणों डिजिटल साक्षरता के तहत कंप्यूटर की प्राथमिक जानकारी, मोबाइल एप संचालन, मोबाइल से मनी ट्रांसफर व बैंकिंग आदि से अवगत कराया जाएगा।
जनपद में मौजूद समग्र 618 वीएलई हैं, जिनमें से 188 सक्रिय हैं। पहले चरण में वीएलई को सक्रिय किया जा रहा है। सीएससी के नरेंद्र गौतम ने बताया कि प्रधानमंत्री ग्रामीण डिजिटल साक्षरता मिशन के तहत ग्रामीणों को निःशुल्क कंप्यूटर की शिक्षा दी जाएगी और मान्यता प्राप्त सर्टिफिकेट दिया जाएगा। यहाँ पर वीएलई अनिल कुमार, अंकुश गुप्ता, सत्य प्रकाश, सुनील कुमार, अंकेश मिश्र आदि उपस्थित रहे।

PMGDISHA PRIZE DISTRIBUTION AT DEORIA BY DIO

WEST BENGAL

PMGDISHA WORKSHOP HELD IN PURULIA DISTRICT OF WEST BENGAL.

A workshop was conducted on PMGDISHA at the Science Centre in Purulia district of West Bengal on 24th June. Approximately 76 VLE's have attended the workshop. Technical/nontechnical issues related to PMGDISHA portal were addressed by the District Consultant and Master VLE Mr. Harekrishna Mahato.

BANKURA DOOR TO DOOR AWARENESS CAMPAIGN FOR DIGITAL LITERACY IN BANKURA

VLE Ashoke Kar has taken lot of efforts in promoting the PMGDISHA scheme through door to door campaigning and spreading awareness using loud speakers. He has completed registration of 250 candidates in his Panchayat and around 117 students have already completed their training.

ENTRIES INVITED

PMGDISHA Social evaluation and Outcome evaluation

In order to know the effectiveness of the scheme it is proposed that we may approach MHRD for further tie-up with Universities/colleagues for social evaluation of the scheme on periodic basis.

Purpose:

To provide two months of exposure to “selected young researchers” on different aspect of qualitative and quantitative research under PMGDISHA Scheme.

1.1 Objective:

- To facilitate and allow young researchers to get associated with PMGDISHA scheme.
- To provide an opportunity and hands on experience on conducting research from different panchayats across country.
- To provide an opportunity which would enable young researchers to apply theoretical class room learning into practice.

1.2 Eligibility:

The scheme seeks to engage students pursuing Graduation/Post Graduate Degrees or Research Scholars enrolled in recognized Universities/Institutions within India.

1.3 Duration and expected outcome:

The program would be available from May, 2017 to December 2019. Each researcher would be given a time span of 2 months to complete the study.

At the end of the program the researchers are expected to provide a social evaluation and outcome evaluation analysis report based on one-two months of field visits made in different panchayat where the scheme is being implemented.

1.4 Certificate:

Researchers who successfully completes the Social evaluation would be awarded a certificate by CSC-SPV. Featured studies would be published and suitably rewarded.

Logistics :

The Students will be required to have their own laptop. CSC-SPV would provide the details and location of panchayat where the study would be carried out.

Subject of Study

- Training Infrastructure
- Quality of Training/Trainer
- Quality of Services/Implementation
- Challenges/Opportunities in Field
- Best practices
- Usefulness of course

Procedure for Application:

- Interested candidates may apply online through the link indicated in CSC e-Governance Services India Limited Website.
- The College/Institution/University to provide “No Objection” letter duly signed by HOD/Principal for allowing the selected candidate to undergo program for the period of one-two months.
- The details of the PMGDISHA scheme is available at www.pmgdisha.in

Procedure for selection:

- All the applications received would be reviewed by a committee. The committee would reserve the right to accept/reject any proposal. Decision of CSC-SPV would be binding on all.
- The details of selected candidates would be published in the web and the candidate would be intimated by email provided.

CSR Partnership for Digital Literacy

To increase the penetration of Industry Partner in rural areas CSC-SPV proposes Industry Partners to set up centres at district level and train candidates on digital literacy.

Implementation Plan

- Industry partner to setup their training centres at District level.
- Identification and registration of eligible candidates (with e-kyc) from urban/rural area
- Centres to conduct training of beneficiaries with the provided content
- Candidate will appear for PMGDISHA online proctored examination
- Passed candidates will get their certificates

Implementation Model

- Industry partners will have two models/options for Identification and registration of eligible candidates (with e-kyc) from urban/semi urban/rural area.
- Model A: Industry Partners can set up their own Centres
- Model B: Industry Partners can train candidates via CSC centres

Role of Industry Partners

To spread digital Literacy in the country by Industry, NGOs and others would be integrated under the Scheme and necessary coordination in this regard would be done by CSC-SPV. The CSC-SPV would coordinate and bring out necessary convergence of various partners in this regard. The candidates who are trained through such partners, Industry, NGOs etc. would also be considered for awarding digital literacy certificates by the recognized Certifying Agencies. For such candidates, the training would be imparted by these agencies through their own resources/ Corporate Social Responsibility (CSR) funds. The candidates trained under such initiatives would be eligible to appear for certification exams conducted by the identified certifying agency and the Certification fee would also be borne by these respective agencies.

For more details on CSR partnership please email us at rishikesh@csc.gov.in
