AMBITIOUS VISION TO TRANSFORM
INDIA INTO DIGITALLY EMPOWERED
SOCIETY AND DIGITAL LITERACY
ACROSS COUNTRY SPECIALLY IN
RURAL AREAS IS AN ESSENTIAL
ELEMENT FOR SUCCESS OF THIS
INITIATIVE.”

Hon'ble Minister of State
KJ ALPHONS

PRADHAN MANTRI GRAMIN DIGITAL SAKSHARTA ABHIYAAN (PMGDISHA)

Pradhan Mantri Gramin Digital Saksharta Abhiyaan (PMGDISHA) has been initiated in line with the announcement made by Hon'ble Finance Minister during the union budget 2016-17 to provide digital literacy specifically in rural areas. PMGDISHA was approved by the government in February 2017. PMGDISHA would cover 6 crore persons, one member from every eligible household across all Gram Panchayats in States/UTs, and make them digitally literate. The objective of the scheme is to empower the citizens in rural areas by training them to operate computer or digital access devices (like tablets, smart phones etc.), send and receive e-mails, browse Internet, access Government services, search for information, etc. and hence enable them to use the Information Technology to actively participate in the process of nation building.

The Scheme aims to bridge the digital divide, specifically targeting the rural population including the marginalised sections of society like Scheduled Castes (SC) / Scheduled Tribes (ST), Minorities, Below Poverty Line (BPL), women and differently-abled persons

Implementing Agency

The scheme will be implemented by CSC e-Governance Services India Limited, a Special Purpose Vehicle (SPV) incorporated under the Companies Act 1956, (herein after referred to as 'CSC-SPV') with active collaboration of all the State Governments and UT Administrations.

Duration

The Scheme duration would be till 31st March, 2019.

Target Beneficiaries

One person from every eligible rural household would be trained in Digital Literacy relevant to their needs across all States/ UTs. The target group would be in the age group of 14-60 years. In order to provide better representation to socially and economically marginalized communities, due preference would be given to SC, ST, BPL, Minorities, women and differently-abled persons. Priority would be given to non-smartphone users, Antyodaya households, college drop-outs, participants of the adult literacy mission etc.

Coverage of scheme

The scheme is applicable only for rural areas of the country. To ensure even geographical coverage across the country, a Gram Panchayat centric approach would be adopted with targets being assigned and monitored for each of the 2.50 lakh Gram Panchayats.

Implementation framework

MeitY would provide suitable policy support and would monitor the progress of the scheme at the Central level. The CSC-SPV will work in active collaboration with the State Government/UT Administration for smooth implementation of the Scheme in their respective State/UT. District e-Governance Society (DeGS) under the District Magistrate/ District Collector would play a key role towards the last mile implementation and monitoring of PMGDISHA Scheme.

The implementation of the Scheme at the ground level would be done through the involvement of Training partners/ Centres including CSCs duly affiliated with the CSC-SPV.

The Scheme will be implemented by using the affiliated Training Partners/Training Centres as was done in NDLM/ DISHA schemes. Efforts would be made to increase the number of training partners to around 2500 and the Training Centres (including CSCs) to about 2.5 Lakhs spread across the country.

Role of a Training Partner

- A training partner shall be responsible to own or set up the Training Centres in the identified Districts/ Blocks/ Gram Panchayats that would impart digital literacy training to the candidates.
- A training partner shall be responsible for ensuring that the training centres adhere to the scheme requirements.
- A training partner shall be accountable for monitoring the overall working of the centres under its purview.
- A training partner shall be liable for accurate and timely reporting of the aforementioned work ascribed in respect of its Centres
- Detailed Norms for the Training Partners shall be as per Standard Operating Procedure (SOP) published by CSC-SPV.

The Training Partners shall set up the Training Centres in the selected Gram Panchayats with the appropriate manpower and requisite infrastructure. They are required to meet the following criteria:

Role of Training Centres

- Enrolling the candidates for the course
- Imparting appropriate training to candidates
- Marking the attendance and conducting continuous assessment using the Online Monitoring Application-cum-Learning Management System
- Keeping a record of all candidates enrolled in the course, certifying their attendance and ensuring that the candidates appear for the online examination.
- Training centre shall provide support and assistance for at least two years after the training is over.
- Ensuring achievement of learning outcomes for each candidate.

Digital Literacy Training Content

The course 'Appreciation of Digital Literacy' has been developed with the aim of making a person IT literate, whereby he can operate a computer/ digital access devices (like smart phone, tablets, etc.), send and receive emails and search Internet for information.

The curriculum was developed in 2014 in consultation with various agencies like UNESCO, NASSCOM, Intel,IGNOU, NIELIT, National Institute of Open Schooling (NIOS),Indian Institute of Mass Communication (IIMC), IT for Change, Open Knowledge Network India, and Digital Empowerment Foundation.

As the thrust of the government is on promoting cashless transactions through mobile phones , the course content would also have emphasis on digital payment system like digital wallets, mobile banking , UPI, USSD and AEPS, POS etc. Top citizen centric services are also included in the curriculum namely : District Services- Caste, Resident,

Income certificate, UIDAI/Services, Banking, Pan card, IRCTC- Railway,Insurance,Telephone/data card Recharge, Aadhaar/Election printing, Electricity bill payment and, Passport

Learning Outcome: Digitally literate person should be able to appreciate the role of digital technology in everyday, social life and at work.

Course Duration: 20 Hours (minimum 10 Days and maximum 30 Days)

Broad Content outline:

	Module Name	Learning Hours
1	Introduction to Digital Devices	2
2	Operating Digital Devices	4
3	Introduction to the Internet	2
4	Communications using the Internet	6
5	Application of the Internet (includes Citizen centric services and use of mobiles for undertaking cashless transactions) Applications of Internet	6
	Total	20 hours

New content of PMGDISHA is available at <https://www.pmgdisha.in/iecmaterial>

CSR Initiative

Effort to spread digital Literacy in the country, CSC-SPV has proposed collaboration with many institutes/ universities where in an institution will adopt a village /panchayat in the vicinity and work jointly with CSC-SPV to make it 100% digitally literate. Letter has been sent to **47 Central and 365** State universities across India. Around 21 universities have shown interest in the initiative.

National Law University, Odisha and CCS HAU, Hisar have started their work of spreading digital literacy within their vicinity. So far around 400 candidates have been registered by the universities under the scheme.

Here is the list of colleges/universities that have shown interest to be a part of digital literacy mission till date:

S No	Name of Organisation/Universities	State
1	Alagappa University	Tamilnadu
2	Annasamy Rajammal College of Nursing	Tamilnadu
3	Assam Rajiv Gandhi University of Co-Operative Management	Assam
4	CCS HAU Hisar	Haryana
5	DCR University Of Science & Technology, Murthal	Haryana
6	Mangalore University	Karnataka
7	National Law University_Odisha	Odisha
8	Sido Kanhu Murmu University	Jharkhand
9	Uttarakhand Open University	Uttarakhand
10	Uttarakhand Residential University	Uttarakhand
11	APOLLO COLLEGE OF NURSING	Tamilnadu
12	Central University of Haryana	Haryana
13	CDC Jammu	Jammu and Kashmir
14	Assam Agricultural University	Assam
15	Bhargava College of Engineering and Technology	Jammu and Kashmir
16	Bahona College	Assam
17	Shri Mata Vaishno Devi University	Jammu and Kashmir
18	Dibrugarh University	Assam
19	Gondwana University	Maharashtra
20	Delhi University (IP College for Women)	Delhi
21	Delhi University (Kalindi College)	Delhi

CSR Partners

IndusInd Bank

IndusInd Bank

CSC-SPV and IndusInd Bank (IIB) have agreed to collaborate and implement the PMGDISHA in rural areas. To begin with 3 Lakh persons over next two years till 31-03-2019 will be trained by the partner.

IndusInd Bank, which commenced operations in 1994, caters to the needs of both consumer and corporate customers. Its technology platform supports multi-channel delivery capabilities. The Bank is a leading provider of commercial, transactional and electronic banking products and services and caters to the needs of both consumer and corporate customers. Today, the bank is one of India's leading private sector banks.

According to the collaboration IIB will be responsible for the following:

- Promote and market PMGDISHA at various forums.
- Consolidate the training efforts towards achieving the objective of training one person in every eligible household.

- Align the training content of IIB with that of PMGDISHA curriculum framework as prescribed by CSC-SPV
- Mobilize the financial resources and volunteers from IIB.
- Set-up use of CSC-SPV PMGDISHA training centres.
- Monitor and ensure quality delivery of training.
- Create innovative marketing campaigns and assist the promotion of PMGDISHA in various media

PAYPAL

Like IndusInd Bank, CSC SPV has also signed MOU with PayPal and mutually agreed to train 6700 persons across the states of Tamil Nadu, Karnataka and Uttar Pradesh over next one year till 31-08-2018.

Registration Status

Registration of beneficiaries, eligible for training under PMGDISHA scheme has been started. As on August, 2017, 48,695,70 beneficiaries have been registered under the project from the States/UTs of Andaman & Nicobar Islands, Andhra Pradesh, Arunachal Pradesh, Assam, Bihar, Chandigarh, Chhattisgarh, Daman & Diu, Delhi, Goa, Gujarat, Haryana, Himachal Pradesh, Jammu & Kashmir, Jharkhand, Karnataka, Kerala, Madhya Pradesh, Maharashtra, Manipur, Meghalaya, Mizoram, Nagaland, Odisha, Puducherry, Punjab, Rajasthan, Sikkim, Tamil Nadu, Telangana, Tripura, Uttar Pradesh, Uttarakhand and West Bengal.

The highest number of candidates registered for the month of August are from Jharkhand followed by Uttar Pradesh, Chhattisgarh, Gujarat, Rajasthan and Madhya Pradesh. The graph below provides the details of Top five states in registration, training and certification of candidates under PMGDISHA scheme.

EXAMINATION STATUS

Gender-wise distribution of certified candidates

PMGDISHA examination has started across the country with stringent bio-metric authentication of candidates by an Invigilator/Exam Superintendent. As of August 2017 a total of 655919 candidates have been certified under the scheme. The gender wise distribution among the certified candidates under PMGDISHA shows that 357536 Males and 298382 Females have been certified till now. According to the pie-chart given below, 57% are males and 43% are females.

Community-wise Distribution of Certified Candidates:

OBC category comprise the highest numbers (27,662,2) followed by General category (209685), SC (12,5263) and ST (44348). As per the pie-chart given below, 43% of certified beneficiaries are OBC 40% General, 19% SC and only 6% are ST.

Glimpse of PMGDISHA Progress across states

ANDHRA PRADESH

GUNTUR

About 250 participants, including household women and Government college students, have registered for PMGDISHA training in Takkellapadu Village, Pedakakani Mandal, Guntur District, Andhra Pradesh. All the students have been successfully trained on different modules covered under PMGDISHA, including usage of computers, internet and smartphone for cashless payments.

WEST GODAVARI

Undrajavaram is a village in West Godavari District, Andhra Pradesh. To help make the village digitally literate, the Sarpanch, Sh. G. Venkata Subbarao, inaugurated the PMGDISHA Training Center and also promoted and monitored the training program. Consequently, 250 students were added and trained under the training program.

CHITTOOR

A workshop on PMGDISHA was conducted in Cheelapalle Panchayat, Gudipala Mandal, Chittoor District, Andhra Pradesh. The State Scheduled Caste cell president, Mr. Peter, MPTC, Mrs. Velangani and Village Sarpanch, Mr. Jaret, participated and made the event a grand success. A total of 75 members attended the workshop.

ANANTHAPUR

Mr. Rajagopal Reddy, a CSC executive from Dosaludiki, a small Village in Guntakal Tehsil of Ananthapur, Andhra Pradesh, showed his interest in training the village people under PMGDISHA. With no proper facilities like water, transportation and internet, Rajagopal arranged for an internet connection by placing a dongle on top of his building and connecting to it with a 30 meter long USB cable.

KRISHNA

Mr. Shaik Hussen of Ustepalli Village, Chandarlapadu Mandal, Krishna District, Andhra Pradesh, hails from a poor family and started working with CSC two years ago. He did a tremendous job of promoting PMGDISHA in his village by registering and certifying 250 candidates.

ASSAM

UDALGURI

VLE Normal Boro from Ratanpur launched an awareness program about PMGDISHA and was attended by several citizens of the village. Citizens who attended the program were highly influenced and showed interest in pursuing to become digitally literate.

GOALPARLA

In the connection with the vision of PMGDISHA, an awareness workshop was held in Goalpara to create some positive impact amongst the citizens of the district.

GOLAGHAT

VLE Anjuwara Begum from Uttar Gurjugonia, Golaghat organized an interactive session cum digital awareness program in the cultural club of the village Batiporia. She gave special emphasis on PMGDISHA and educated participants about the PMGDISHA scheme. As an outcome of the session she enrolled 23 PMGDISHA students.

DARRANG

VLE Majnur Haque of Garukhuti has become a popular in his village for educating around 250 women under the PMGDISHA scheme. Women in his village now praise him for his noble effort to make them digitally literate. Most women who joined the course were from self help groups and were uneducated.

DHUBRI

A program was conducted regarding PMGDISHA scheme with the help of the Dist. Manager CSC-SPV at Bilasipara Block office. All the participants taken through the scheme and how the public can benefit through PMGDISHA.

An awareness activity on the benefits of the PMGDISHA scheme was carried out by the Dist. Manager CSC-SPV in South Salmara Block.

BIHAR

BLOCK LEVEL PMGDISHA TRAINING PROGRAMME ORGANIZED IN TARAPUR, MUNGER DISTRICT

A block level PMGDISHA training and awareness programme was conducted for VLEs of Tarapur and Asarganj Blocks of Munger District, on 16th August under the guidance of District Consultant, Nilesh Kumar. About 15 VLEs were present for the programme and learnt how to register students, email verification and how to fill outcome forms for students. They also came to know of the benefits and objectives of the scheme during the course of the programme.

PMGDISHA AWARENESS PROGRAMME CONDUCTED FOR CITIZENS OF PARBHARA, MUNGER DISTRICT

A PMGDISHA awareness programme was conducted on the 2nd of August for the residents of Parbhara Gram Panchayat of Munger District. During the programme, the villagers learnt about PMGDISHA and the potential benefits of undergoing the training under the scheme.

OPENING CEREMONY OF PMGDISHA CENTRE IN AALIYA MADARSA, MADHUBANI

A PMGDISHA training centre was inaugurated in a Madarsa in Village Karmauli, Madhubani district by Aaliya Madarsa Secretary- Professor Zafirul Hasan. Several potential beneficiaries attended the event, of which, 50 registered for PMGDISHA training courses. Training on cashless transactions, basic computer operation and NPS will be given, among other things at the centre.

VILLAGE WOMEN JOIN PMGDISHA TRAINING COURSE AFTER ORIENTATION SESSION

A short time ago, few village women visited the PMGDISHA centre in Modanganj Okri out of curiosity for the services offered by the centre and the potential benefits to be availed by them. They were then educated about the PM's vision of a Digital India and were then told about the services offered by the CSC Center. Despite concerns regarding the age of a few among them, they were reassured of the countless benefits of the training programme and their fears were allayed. Several among them registered for the training programme.

CERTIFICATE DISTRIBUTION BY DISTRICT MAGISTRATE- BANKA

A certificate distribution programme was held on 24th August in Banka District. A total of 20 students, 17 girls and 3 boys, got awarded their respective certificates for successfully completing 20 hours of training in a programme under PMGDISHA by Sh. Kundan Kumar (District Magistrate, Banka).

VLE SUCCEEDS IN PROPAGATING PM'S DIGITAL INDIA MESSAGE IN HIS VILLAGE

VLE Prakash Aryan has done exceedingly well in spreading awareness and propagating the message about PMGDISHA in Doiya Gram Panchayat in Noorsarai block. Till date, he has completed 67.2% of his assigned target by registering 169 students for PMGDISHA training programme, of which, all 169 have completed their training and 111 students have passed the certification exam.

CHHATTISGARH

RAIGARH

40 VLEs participated in a training workshop organized by Mitesh Mahant, Vinod Badge and Ashwarya Dixit at the Collector's Office in Raigarh on the 21st of August. The workshop emphasized on the PMGDISHA examination process and software installation.

BALOD

A training programme in which 48 VLEs participated was organized at the Collector's Office in Balod. The training discussed the process of examination and issues faced by VLEs.

BAIKUNTHPUR

A meeting was organized on the 24th of August at the Block Office in Baikunthpur, Koriya. 48 VLEs participated in the meeting which was benched by Ms. Ritu Agrawal (ADO) Koriya to discuss on how to optimize the implementation of PMGDISHA.

ENTRIES INVITED

PMGDISHA Social evaluation and Outcome evaluation

In order to know the effectiveness of the scheme it is proposed that we may approach MHRD for further tie-up with Universities/colleagues for social evaluation of the scheme on periodic basis.

Purpose:

To provide two months of exposure to “selected young researchers” on different aspect of qualitative and quantitative research under PMGDISHA Scheme.

1.1 Objective:

- To facilitate and allow young researchers to get associated with PMGDISHA scheme.
- To provide an opportunity and hands on experience on conducting research from different panchayats across country.
- To provide an opportunity which would enable young researchers to apply theoretical class room learning into practice.

1.2 Eligibility:

The scheme seeks to engage students pursuing Graduation/Post Graduate Degrees or Research Scholars enrolled in recognized Universities/Institutions within India.

1.3 Duration and expected outcome:

The program would be available from May, 2017 to December 2019. Each researcher would be given a time span of 2 months to complete the study.

At the end of the program the researchers are expected to provide a social evaluation and outcome evaluation analysis report based on one-two months of field visits made in different panchayat where the scheme is being implemented.

1.4 Certificate:

Researchers who successfully completes the Social evaluation would be awarded a certificate by CSC-SPV. Featured studies would be published and suitably rewarded.

Logistics :

The Students will be required to have their own laptop. CSC-SPV would provide the details and location of panchayat where the study would be carried out.

Subject of Study

- Training Infrastructure
- Quality of Training/Trainer
- Quality of Services/Implementation
- Challenges/Opportunities in Field
- Best practices
- Usefulness of course

Procedure for Application:

- Interested candidates may apply online through the link indicated in CSC e-Governance Services India Limited Website.
- The College/Institution/University to provide “No Objection” letter duly signed by HOD/Principal for allowing the selected candidate to undergo program for the period of one-two months.
- The details of the PMGDISHA scheme is available at www.pmgdisha.in

Procedure for selection:

- All the applications received would be reviewed by a committee. The committee would reserve the right to accept/reject any proposal. Decision of CSC-SPV would be binding on all.
- The details of selected candidates would be published in the web and the candidate would be intimated by email provided.

CSR Partnership for Digital Literacy

To increase the penetration of Industry Partner in rural areas CSC-SPV proposes Industry Partners to set up centres at district level and train candidates on digital literacy.

Implementation Plan

- Industry partner to setup their training centres at District level.
- Identification and registration of eligible candidates (with e-kyc) from urban/rural area
- Centres to conduct training of beneficiaries with the provided content
- Candidate will appear for PMGDISHA online proctored examination
- Passed candidates will get their certificates

Implementation Model

- Industry partners will have two models/options for Identification and registration of eligible candidates (with e-kyc) from urban/semi urban/rural area.
- Model A: Industry Partners can set up their own Centres
- Model B: Industry Partners can train candidates via CSC centres

Role of Industry Partners

To spread digital Literacy in the country by Industry, NGOs and others would be integrated under the Scheme and necessary coordination in this regard would be done by CSC-SPV. The CSC-SPV would coordinate and bring out necessary convergence of various partners in this regard. The candidates who are trained through such partners, Industry, NGOs etc. would also be considered for awarding digital literacy certificates by the recognized Certifying Agencies. For such candidates, the training would be imparted by these agencies through their own resources/ Corporate Social Responsibility (CSR) funds. The candidates trained under such initiatives would be eligible to appear for certification exams conducted by the identified certifying agency and the Certification fee would also be borne by these respective agencies.

For more details on CSR partnership please email us at rishikesh@csc.gov.in

e-GOVERNANCE SERVICES INDIA LIMITED
